

COMMISSION ARRANGEMENT

Ornella Underwriting Limited is a Managing General Agent, and acts on behalf of the insurer (provider) you have requested information about in the administration of policies they insure. We are regulated as an intermediary by the Central Bank of Ireland. We are paid a commission by the insurer, some of which we pay on to retail insurance intermediaries whom you engage to find you the best insurance. The remaining amount of commission, shown below, is retained by us as we act for the insurer and perform functions that the insurer would otherwise have to do themselves such as:

- The investigation, negotiation and settlement of claims
- Policy administration including document creation and issuance
- Underwriting functions
- Compliance functions
- Complaint and Data Protection administration
- Retail broker auditing
- Information systems infrastructure and maintenance
- Premium collection, disbursement and credit control
